Re: *United States v. Dupont*, 19 Cr. 444 (RMB)

Dear Judge Berman:

Application granted.

Conference adjourned to Thursday,
June 18, 2020 at 10:00 AM.

Time is excluded pursuant to the
Speedy Trial Act for the reasons set forth
in this letter.

SO ORDERED:
Date: 5/1/2020

Richard M. Berman
Richard M. Berman, U.S.D.J.

A status conference in the above-captioned case currently is scheduled for Wednesday, May 6, 2020, at 11:00 a.m. The Government has conferred with defense counsel, and due to the current public health crisis, as well as the absence of an immediate need to address any pending issues with the Court, the parties jointly respectfully request an adjournment of the conference for approximately 45 days, to a date during the week of June 22, 2020, or a date thereafter that is convenient for the Court. The parties also note that if the current crisis continues past an additional 45 days, the parties will follow up with the court for an additional adjournment if necessary.

Additionally, the Government respectfully requests the exclusion of speedy trial time until the next scheduled conference, to allow for time for the continued review of discovery, and for the purposes of discussing possible pre-trial disposition, and counsel for the defendant consents to this request.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
